Private Sector Coalition

COVID-19 PANDEMIC

Government Update

- Providers expected to see \$30 billion from the CARES Act distributed this week
- \$350 billion in small business (SBA) funding being depleted quickly
 - Discussions underway to increase funding by \$250 billion. Vote likely next week under UC.
- Further economic stimulus legislative package 4.0 under development
 - Likely consideration in House in mid-May
- 49 state emergency waivers granted
- Unprecedented regulatory flexibility and payment adjustments related to telehealth and virtual visits, accelerated and advanced payments, and recent waiver information:
