Visits

- Granger Medical Clinic, formerly of Physicians Accountable Care of Utah, brings 65 primary care providers and 5k+ Medicare beneficiaries to Evolent Care Partners (ECP)
- Granger Medical leverages experience in population health management and advanced payment models across Medicare and 25 value-based contracts, with opportunities to launch pilots where needed (e.g., increased focus on behavioral health integration)
- Scaled ECP ACO delivers support to succeed in MSSP ENHANCED Track and other-payer risk contracts, including risk stratification and targeting with proven care management support, actuarial & analytics, platform & technology

## ECP Provider Footprint in 2022

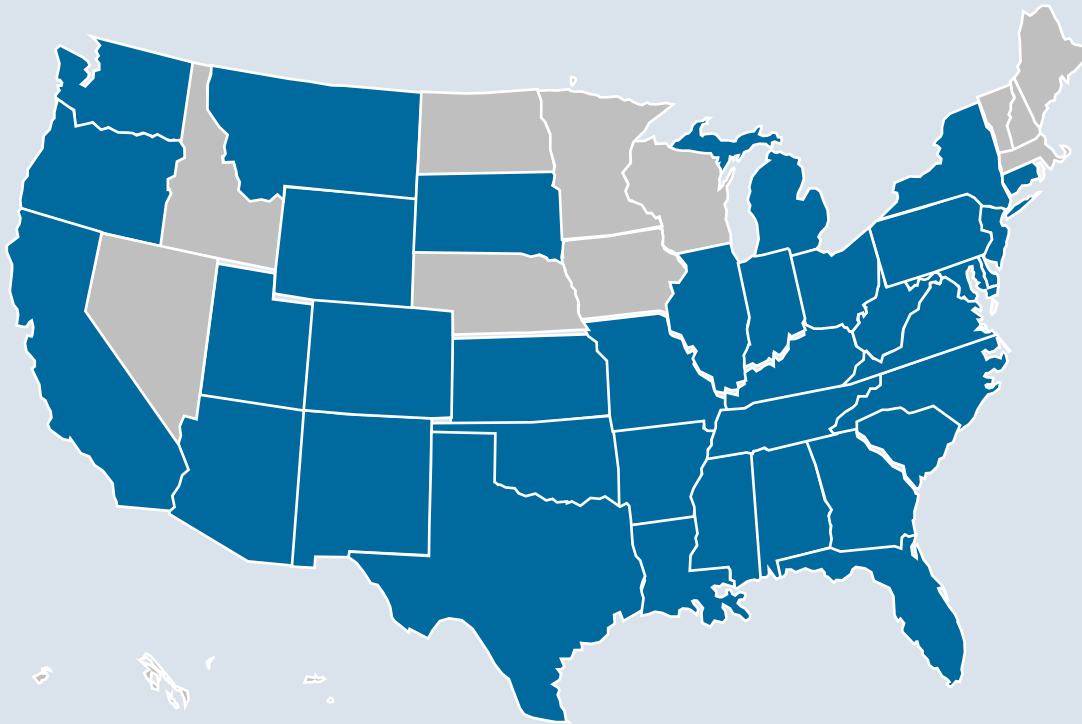

1. Preliminary results reflect CMS quarterly data and ECP actuarial analysis and are relative to the national Medicare fee-for-service population

# Central Ohio Primary Care Physicians

- Physician Owned Independent Primary Care Organization
  - 490 physicians in 83 locations: 250 Adult PCP's, 100 Peds, 100 Hospitalists
- All COPC Payer Contracts are Value Based
- 65,000 Seniors in full downside risk contracting with JV partner agilon health.
  - 35,000 in Medicare Advantage.
  - 30,000 in CMMI's Direct Contracting Model as of 4/21 after 4 years in CPC+
- All Commercial payer contracts with PMPM up front payment and shared savings
- Moving into Direct to Employer relationships with Vera Whole Health and JP Morgan Chase in 2022

Aledade is building a movement of independent physicians by aligning financial models with patient outcomes.
